Rev. Dr. Karen R. Green is an experienced political strategist, social justice advocate and humanitarian. She is also a noted political commentator for ABC, NBC, Fox and Spectrum Networks.

An immigrant from Jamaica, Rev. Dr. Green has been a resident of Central Florida for more than 20 years. Her work as a social justice advocate has seen her championing the causes of women, immigrants, tenants, and members of the LGBTQ.

Head of the political consulting firm “Bluefields” and the not-for-profit organization “Liberty and Justice For All,” Rev. Dr. Green has scored a number of firsts. She is the first person of Caribbean descent to be appointed vice chair of the Florida Democratic Party, the first Caribbean woman to be recognized in the Congressional Records for her service to the cause of women and is also a Peace Ambassador for the United Nations.

Dr. Green’s experiences have taken her all over the world. She worked successfully in the travel industry – airline and cruise ship; was a nurse, teacher and humanitarian.

On the political level, Rev. Dr. Green is a Biden/Harris White House Partner, Faith and Community Engagement; Chair, Florida Democratic Party Diversity and Inclusion Committee; Democratic Special Advisor to the U.S. Territories; State lead on immigration reform; formerly Vice-Chair of the Caribbean Democratic Caucus; Party Chair, Orange County Development Committee and campaign director, Hillary Clinton Campaign Coalition.

Rev. Dr. Green’s passion for service is well recognized and has garnered her many accolades, including the Presidential Lifetime Achievement Award for community service.

I am Stanley CAMPBELL

DEMOCRAT RUNNING FOR US SENATE FOR FLORIDA

WHO AM I AND WHY I AM RUNNING

I grew up in Liberty City with four brothers to a Jamaican father- a dedicated community advocate and a Bahamian mother- a beautician that organized "Get Out the Vote" in her salon. I graduated Miami Beach High and went on to study Physics and Mathematics at Florida A & M University and then followed my dreams to become a United States Navy Pilot. I've been married for 35 years to my wife Cheryl Campbell and we have 3 sons.

HERE ARE THE ISSUES:

- **Women's Rights:** I support women's rights because they are human rights.
- **Jobs and Affordable Housing:** I will create jobs and affordable housing for all Floridians.
- **Medicare:** My company prevents over \$100 million dollars in Medicaid fraud daily.
- **Protecting Social Security:** All citizens have earned the right to social security.
- **Veterans/Military:** Championing veteran benefits, ensuring uninterrupted military pay.

Please support my campaign!
